Louise's Story

Louise Marie Tiller (née Jennings),
born 5 March 1979.

Granddad introduced Louise to horses at a young age, and from that her passion was born.

Louise became a mum for the first time in 2001 when Brittany was born, and again in 2004 when Hannah arrived.

The day she became a mum changed everything. Her two daughters were the centre of her world, and she loved them fiercely.

She was endlessly proud to watch them grow into the amazing women they are today.

On 14 February 2003, Louise and Darryn were married.

Their wedding was the beginning of a life built side by side. Through the years they shared adventures, raised their family, and created countless memories together.

Some of her happiest moments were spent with friends, out on the water boating and camping, and with her beloved Granddad, her favourite person.

These were the times that filled her life with laughter, stories, and memories that will always be treasured.
