

With Love Always

Alexis and the family sincerely thank you for your attendance here today and warmly invite you, after the interment, to join them for light refreshments at the Northern Tavern and to share the many memories we all have of David.

Final Hymn

My Peace I Leave You

Be Not Afraid

You shall cross the barren desert,
But you shall not die of thirst,
You shall wander far in safety,
Though you do not know the way,
You shall speak your words to foreigners
and they will understand,
You shall see the face of God and live.

Be not afraid I go before you always,
Come follow me and I will give you rest.

If you pass through raging waters,
In the sea you shall not drown,
If you walk amid the burning flames you
shall not be harmed,
If you stand before the power of hell, and
death is at your side,
Know that I am with you through it all.

Be not afraid...

❧
Lord, Make Me an Instrument of Peace

Lord, make me an instrument of peace,
Where there is hate, let me sow love,
Where there is injury, let me sow a pardon
deep as the flowing sea.

Where there is doubt, let me sow faith,
Where there's despair, let me sow hope,
Where there is dark, let me sow light,
Where there is sadness, let me sow joy.

O Loving Lord, may I not seek
To be understood, but to understand,
To be consoled, as to console,
Or to be loved, but to love all.

For it's in giving that we receive,
It's in forgiving that we're forgiven,
And it's in dying that we are born,
To Eternal Life, to Eternal Life.

My Peace I Leave You

My peace I leave you,
My peace I give you,
Don't let your heart be afraid.
For I'm returning to my Father
To prepare a home for you,

When I'm gone I will send my Spirit,
Who will guide and strengthen you,
And your joy will be found in giving,
With the peace and love He brings.

Come to me all you who labour,
And are burdened down with care,
For I will give you comfort,
And rest for your weary hearts,

For the peace that I will give you,
Is not the peace that the world expects.
In the world you will find sorrow,
But have faith, I have conquered all.
