# Brian's Story.

Brian, born on August 19, 1956, in Invercargill. Son of Lewis and Beverly, cherished brother of Judith, Suzanne, Tony, and Ronald.

A motorbike enthusiast and young at heart, he loved the wind in his hair, embracing the thrill of the ride.

A true freedom-seeker on the open road.

He is looking very proud of his GT Falcon, and so he should be.

Brian, a proud member of the Deerstalkers Association. Celebrating the thrill of the hunt, his legacy includes an impressive 11-point stag during the Fiordland Roar.

Cherished memories of laughter-filled road trips will forever echo in our hearts.

Brian, whose fishing adventures were marked by one rule: nothing under 5 pounds. His passion for the sport and the tales of his big catches will forever be immortalised.

Exploring the Depths with Stewart Island Adventures on Scuba Sport charter boat. He had a love for the ocean and outdoors.

Brian's Legacy: Mastermind Behind the Bluff Hangar.

The 'Master Builder' of the Winsloe Family crib in Glenorchy, crafted May - December 1974. The crib was a haven of endless fun for family and friends.

*"A family that plays together, stays together."*

The Batch – his home away from home, where whitebait patties were a treasured specialty. May the memories of laughter and joy within those walls forever linger.

Squeek, Brian's beloved dog, was more than a pet—she was his faithful companion. 'She's my wee mate,' he would fondly say.

Brian is now reunited with his former faithful companions Bruno and BB. May they rest in peace together.
